

COVID DONATIONS

of Personal Protective Equipment (PPE)

Help hospitals combat COVID-19 by donating the supplies they need

Athena Property Management is reaching out to join forces and help our local hospitals. As you know, many hospitals are in desperate need of supplies and we want to do what we can to help. We are asking anyone who may have unused PPE to donate them to our local healthcare professionals. We will be coordinating weekly drop-offs to different hospitals including Pomona Valley, St. Joseph Brea, Kaiser Irvine, and Keck USC. If you have any of the recommended supplies below, please drop them off, ship them, or coordinate with Athena Property Management to get them picked up.

- All items should be delivered or dropped off by Thursday of each week to the address listed at the bottom of this flyer.
- Items will be scheduled for pick up if needed. Please coordinate with Kimberly Low by calling our offices at 949.398.8750
- Donations will be delivered to hospitals every Friday.*

**Hospital deliveries will be dependent on amount of supplies donated*

Recommended Supplies Requested by Hospitals

Surgical Masks

Medical Gloves

Goggles

Gowns

Hand Sanitizer
